

NIRVAN STUDIO

COMPANY PROFILE / 2026

Digital work *that earns* attention.

Websites, brands and growth systems built around how your customers decide - and how they get in touch.

NIRVAN WEB SERVICES PVT. LTD.

JAMMU, INDIA

WEBSITES / BRAND / GROWTH

01

WHO WE ARE

Small team. Serious digital work.

Nirvan Studio is the trading name of Nirvan Web Services Pvt. Ltd. We build focused digital systems for growing businesses across India - from the first brand decision to the enquiry that lands in your inbox.

01 BUILT AROUND CUSTOMERS

We start with what your customer must see, believe and do.

02 FIXED, WRITTEN QUOTES

Scope, price and delivery date are agreed before work starts.

03 FULL OWNERSHIP

Your domain, hosting, code, analytics and accounts stay in your name.

04 SUPPORT AFTER LAUNCH

Every project includes practical support once the work goes live.

WHAT WE DO

Six connected capabilities.

Strategy, design and delivery under one roof - explained in plain language.

01**WEBSITES**

Fast, custom sites built to turn visits into enquiries.

**02****BRANDING**

A clear identity that looks established everywhere.

**03****SEARCH**

Technical and content foundations for being found.

**04****ADVERTISING**

Trackable campaigns with focused landing pages.

**05****AUTOMATION**

Bookings, routing and follow-ups without busywork.

**06****CARE PLANS**

Updates, monitoring, backups and useful reporting.

HOW WE WORK

Four steps. No mystery.

01

Review

We look at the goal, the customer and what is getting in the way.

02

Define

You receive a written scope, fixed quote and firm delivery plan.

03

Design + build

Work appears in clear stages, with focused feedback points.

04

Launch + care

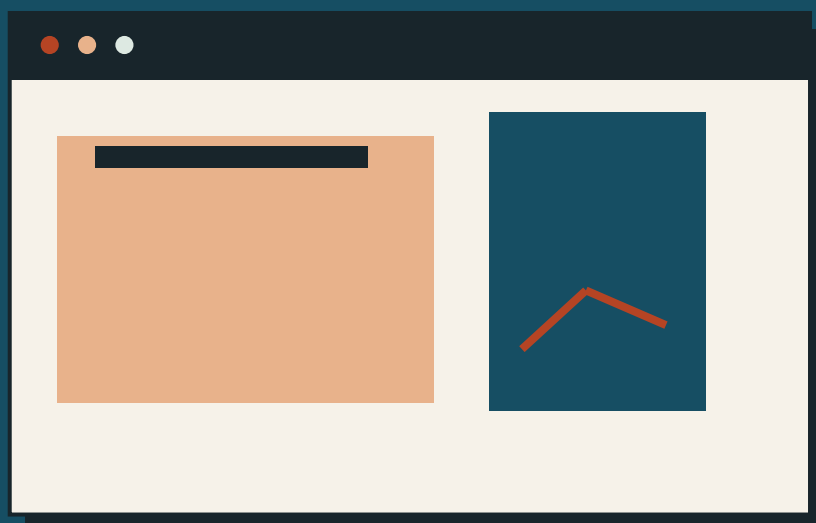

We go live, hand over ownership and stay close after launch.

OUR WORKING PROMISE

Clear scope. Full ownership. Support after launch.

PORTFOLIO

Work built for real businesses.

BUSINESS WEBSITE

WHAT YOU GET

A website is only the front door.

The website system

- Custom structure and responsive design
- Clear enquiry routes: form, WhatsApp and call
- Analytics and conversion tracking
- Content your team can update
- Launch support and handover

The growth system

- Brand identity and visual consistency
- Search foundations and local visibility
- Campaign landing pages and ad tracking
- Booking and follow-up automation
- Ongoing care, updates and reporting

ONE PARTNER / ONE CONNECTED SYSTEM

From first impression to follow-up.

PEOPLE

The team behind the work.

A compact senior team spanning strategy, finance, sales, technology and public outreach.
